MULTIVER
Cutting edge of the glass industry

Multiver

GRILLES

For those who wish to add a unique touch to their home, Multiver offers a large selection of grilles to create architectural windows that will give character to new as well as renovated buildings or houses. If the desired shape or design differs from market standards, Multiver lets you use your imagination, and our team of experts, as meticulous as artists, will create your customized grilles.

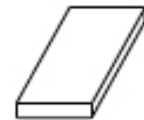

Multiver is proud to offer **one of the largest selection of grilles in North America with various shapes, thickness and colours available.** Below are listed the numerous grilles available.

TYPES OF GRILLES

Multiver offers different types of grille : rectangular, back-to-back, Georgian, spacer, and tubular muntin bars. Many are kept in stock, but certain grilles are only available upon request. Consult the following pages to find out which grilles are in stock and which are available upon request. Note that the list is subject to change without prior notice. For further information, do not hesitate to contact us.

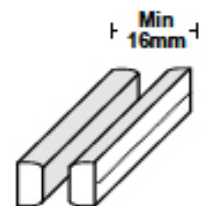

RECTANGULAR

In Stock		
Description	Size	
	mm	inch
White rectangular	18 mm X 6 mm	11/16 X 1/4
White rectangular	25 mm X 6 mm	1 X 1/4

Upon Request
Description
ONE colour, rectangular :
- one Gentek/Caméléon colour (same colour on all surfaces) OR
- one Gentek/Caméléon colour and white
TWO different Gentek/Caméléon colours, rectangular

BACK-TO-BACK

In Stock		
Description	Size	
	mm	inch
Back-to-back	Varying size	

Back-to-back muntin bars are available in various widths. Please indicate the desired size, which must be of at least 16 mm.

By default, back-to-back muntin bars are of the same colour as the spacer requested in your order.

Depending on their thickness, back-to-back muntin bars cannot exceed a certain maximum size because the bar must be continuous. For further information, please contact us.
